Barbara Ray's email address is on the CMS. Let's get a letter prepared on letterhead and signed and pdf it to her.

I concur on the letter you wrote.

Scanned CMS packages are on the H: drive, in the CMS folder. Letters are from Jessica Cooper and Barbara Ray. I have prepared a response letter to Jessica Cooper that follows the recent CMS responses. Ms. Ray did not provide a full mailing address so I don't know how we should respond to her. Please take a look at these files and my response and let me know how we want to proceed.
